### b. 2023/2024 Attorney Fees

Received a notice from McGraw Morris that there is an outstanding balance from services rendered August 23rd- August 24th related to employment contracts and the sublease agreement for the DDA office. Documentation for the services rendered were requested previously and now had finally been received this past month. All noted emails and phone calls with DDA board of directors or the other parties' attorneys related to the contracts and agreements. Total outstanding is \$10,995. The DDA will need to amend its budget to reflect these costs. Major budget amendments will be brought forth in December to the board and they will need to be approved by the Village. So the recommendation is to approve the payment for \$10,995.

Motion: To approve the payment of \$10,995 to McGraw Morris, P.C., for attorney fees rendered from August 2023-April 2024.

Motion by: Lee Second by: Hutnick

Discussion:

 Discussion around the fact there were invoicing issues, as well as unforeseen legal issues that arose that created the unexpected invoice amount. • It was agreed that the DDA should consider alternate legal avenues in the future as the costs are too high. Looking into other options.

### 9. Unfinished Business:

a. Holiday Decorations

The previously approved contractor for installing the holiday lights declined to provide the work. The second bidder, Hayward Holiday Light Installers, was contacted and available to provide the work, therefore, the Board reviewed the cost and considered budget modifications to the already approved holiday budget.

Holiday Decor (Purchased) \$54,812.58 Installation \$19,435 Winter Baskets (estimated) \$6,900 TOTAL \$81,147.58

### Motion to:

- Amend the Holiday Decor budget to not exceed \$81,500.
- Approve awarding the holiday decor installation contract to Hayward Holiday Light Installers in an amount not to exceed \$19,435, and to rescind the original contract approval with Zoro's Christmas Lights.
- Approve installing winter greens in the hanging baskets (estimated quantity of 138) with Jusko's Greenhouse in an amount not to exceed \$6,900.

Motion by: VanWormer Second by: Lee Discussion:

- It was discussed that we communicate with the business owners what the theme will be for the holiday decor in case they wanted to add to their own display and stay with the overall downtown theme.
- Reaching out to Jusko's to see if they would offer a "value pack" of add ons for Business Owners to purchase for their space.

# b. Parking Lot Plan Cost Sharing

Discussion on how the Board will set a budget for ParkMobile implementation and operations due to the Village not agreeing to the proposed 10% funding. Leaning on the verbiage of "determined amount as deemed from time to time", it is suggested that the Board review expenses after one year and go back to the Council regarding the administration actual cost for re-consideration of proposed funding and amount.

Motion: To authorize the Chair to execute the agreement with Village.

# c. PILOP Update - Parking Management

Plans to launch Parkmobile are underway. The goal is to have the program live in December. It is recommended by Parkmobile to start with a soft launch, letting people get used to the idea by issuing warnings (as opposed to tickets) and providing information as to how to use the system in the first month. It is also recommended to develop a full communications plan to launch the program, including websites, social media and other modes of communication that will reach the businesses, residents and visitors.

d. Grant Writing Update - VanWormer, Starkweather, Laurent to work on ideas for art grants. Question from Board regarding mural upkeep be considered with planning.

# 10. Board Member Comments

Hutnick provided an update from the Tree Board - they have obtained an Arborist that has provided a review of the trees, including Downtown Park, and an assessment of those trees they recommend removing and/or assisting. They are also open to any trees the DDA recommends. All agreed to have a decision on Vintagefest by January. Osebold offered congratulations to 4 Corners Dinner on their appearance which resulted in over 200 people on-site. Poznanski congratulated Kathy on their Christmas Opening. The Tree Board received a grant to do the assessment and Village Park trees are being treated. Need to consider a new Christmas tree in the future. Everyone expressed their excitement to have Kay come onboard. Thanks to Sheppard-Decius for the work on the holiday decorations. Bowers expressed his pride in Tilson Street who said it was "amazing".
